The Phoenician Club of Chicago is a fraternal organization founded in 1918 and formed to unite and preserve the ethnic heritage of its members.

Our mission is to improve fellowship and general welfare among our members and throughout the community. Our members aim to increase civic involvement by example and mentoring of others. We provide a practical means to form enduring friendships, to render humanitarian services and to build a better community.

Membership consists of persons of good character, who believe in God, are at least twenty one (21) years of age and are either Syrian, Lebanese, Palestinian or Jordanian heritage, or the spouse of such heritage.

We have Fun Holiday Party's, Night at the Races, Picnics and Social Gatherings. We Grant Scholarships to our members children for Collegiate Studies and volunteer for many other community affairs.

The Phoenician Club is always looking for volunteers to help with events. The Board will help you choose a committee that suits your talents and interests so your volunteering will not only be fulfilling, but also fun!
